SHIPMATES:

The Shipmates of the Manhattan Beach Community Church is an organization of adults devoted primarily to good fun and fellowship while providing a service to the church. Productions such as the one you are seeing this evening have been presented annually for a number of years by the Shipmates as their major fund raising project. All funds thus derived have been used for improvements to the Community Hall in which you are now seated, or for such worthwhile projects as the Food Closet. Won't you join us at our next event?
