\*\* THE SONGS \*\*

"TWO A.M."

It's Two A.M.  
A new A.M.  
Another day another pile of dough  
So look awake  
Let's start to bake  
No chance of escapin'  
So put on your apron, Lets go!

"WHEN IT'S FAIR WEATHER  
IN BRUSSELS"

When it's fair weather in Brussels  
Folks are friendly  
Very friendly  
And a friendship made in Brussels  
Has a sunny Belgian glow!

"AUTOMATION"

The salvation of the nation  
Will depend upon the tapes of  
automation  
It's apparent Human Beings are just  
obsolescent!

"BAKERS HAVE ALWAYS GOT DOUGH"

If you will pardon the pun  
Bakers have always got dough  
Just take a look at me  
Solid security  
Bakers have always got dough

"THIS IS WAR"

This is war, this is war  
Let the bugles blow and  
The Cymbals clash  
This is war, all out war  
This is war!

"HAT IN THE AIR"

Have you ever felt  
Like throwin' your hat in the air  
Have you ever felt  
Like you were just walkin' on air

"YANKEE CROOKS"

Yankee crooks  
Dots vot you are Al Capone  
I see da scar  
Me out of my money you'd cheat  
Me upon my head you'd beat  
Me in da river standing in concrete  
Dots vot you plan  
Yankee crooks
